

Natalie Cunningham You guys were absolutely incredible! I can not remember the last time we laughed like that...thank you so much! Thank you to all the Sponsors who made this happen! I hope they and you all realise just how that spark of magical laughter enables you to feel stronger, boosted and empowered to take on whatever the next day may bring! Seriously, we came with no expectation but left feeling uplifted and delighted. Incredible bunch of very special people to provide lightness in times when life is a challenge! The young people LOVED last night at Circus Starr. It was very inclusive, wholesome and carefully considered.

Thank you for giving the gift of magic

Without your kindness of donating free tickets, lots of families would never be able to experience the magical and thrilling circus show.

BATH AND NORTH EAST SOMERSET COUNCIL

Good morning Sarah,

I would like to send you and your team lead by Joel Hatton a huge thank you for the performance many of my pupils and staff attended last night.

They were all full of it this morning coming into school!

One of my teachers decided to dedicate this mornings assembly to the circus theme purely from the profound and inspirational experience she had as part of the audience - to quote 'the world is changing'.

I just thought you would like to know that your variation of Reach For the Stars was played and the whole school joined in with the 'Shout Circus Stars' signs and lots of dancing to circus music!

With the sunshine this morning and the circus theme in our veins we are going to have a smiley day.

Thank you once again for making it such a magical and accessible event for my wonderful pupils/families and staff. Please pass on my thanks to your performers - thank you

Kind regards
 Lisa

"I am in a wheelchair and I have to commend you and your company for your inclusivity. My friend came with her carer and is deaf. I'm so happy we got to spend the night together enjoying a show which catered for all our needs. The level of happiness and enjoyment I experienced tonight was greater than what I have felt in a very long time."

Dear Joanne

On behalf of all the families on Piam Brown Ward I am writing to thank you so much for donating tickets to your shows in Southampton. Piam Brown Ward is the Wessex Regional children's cancer unit. We care for children from 1 day to 16 years old with all forms of cancer.

Having the opportunity to give our families a break from treatment, a true reason to smile and laugh is a very special gift. I was able to send 12 families to your performances, which they thoroughly enjoyed. Here is some feedback from the families :

"Exceptional performers, Fast paced, Colourful! A Great combination of acts and funny sketches, Pitched perfectly with fun songs we could join in with. We enjoyed it immensely and was such a gift to see my daughter laugh."

"Thank you so much for a super evening at the circus. Alice loved it so very much and daddy got picked to go into the arena and do a silly dance!! I have video evidence!!"

Treatment for our children is very unpleasant and affects the whole family – especially the siblings as parents spend many weeks living in the hospital with the patient. It is so important that we create happy occasions and memories for all the family and your circus starr performers certainly do this.

Special thanks to all the local businesses, supporters and donors who made this possible for our families.

With very best wishes
